MEMORANDUM FOR THE RECORD

Subject: Requests for Overnight Storage Boxes.

STAT

1. [] Acting Chief, Building Supply Office, advised me today that in the past three weeks he has received 15 requests ✓ for ~~four~~ overnight storage boxes. He was unable to fill these requests since there are more storage boxes in the Supply System. He stated however, that occasionally they receive turn-ins of these boxes and when possible will fill requests from them. He will record future requests for our use in estimating needs for the boxes now being designed by TSS.
